La Fonda, the Fred Harvey Hotel at Santa Fe, New Mexico, embodies the charm of the surrounding Spanish-Indian country, sweeping back from the shady Plaza in the softly-rounded terraces of an ancient pueblo. Among La Fonda's many attractions are its sunny patio; the restful lounge with its huge fireplace and deep-cushioned chairs; the New Mexican Room (restaurant); La Cantina and Cantinita (cocktail rooms); La Placita (outdoor dining room); and the famous orchestra from Old Mexico.
